

IMMUNE SUPPORT

Beta 1-3, 1-6 Glucan with Vitamin C, Selenium & Zinc

N040 / N041

Immune Support is a powerful immune-supporting nutritional supplement, which contains beta 1-3, 1-6 glucan along with vitamin C, selenium, and zinc.

- Each capsule of Immune Support contains 250mg of beta 1-3, 1-6 glucan, typically purified to a level of 78% - this is an optimal dosage and purification for this nutrient.
- Due to its ability to assist in immune response, beta 1-3, 1-6 glucan is most associated with colds, flu, and infection support.
- Beta 1-3, 1-6 glucan is a natural form of soluble dietary fibre, derived from the cell wall of baker's yeast.
- Nature's Own beta 1-3, 1-6 glucan is a pure extraction and does not contain enough yeast protein to cause any allergic reactions.

Product Information:

30 capsules = 30 days supply

Permitted Health Claims:

Vitamin C, selenium and zinc all contribute to the normal function of the immune system. For further health claims please refer to pages 46-53.

Suitable for:
